Myra,

Well let me see where should I start, first of all you really are a nice person I really do enjoy being around you half of the time. It have been nice going to school with you for the past 3 years. Myra you really are a lovely, Wonderful, Gorgeous person to me. We have really had some fun time together specially when we are in Stuttgart. But most of our good times was in DeWitt those are loving memories. Well we almost done made it just one more year. I know I can hang on in there. How about you? I know you can if I can (right?). Where ever you go just remember me and those times I saved your life. And remember Always Keep In touch. And May God be with you wherever you go. I just got to say it And may God be with you and Darren forever. I wish you the best of luck with Darren and many more guys. Good luck with everything you do.

AS OUR WORLD

It seems that soap operas have become so popular the last few years that many D.H.S. students have become "hooked" on them over the summers. One student was even heard to say, "I'm actually thinking of quitting school just to watch 'All My Children.'" The annual staff is no exception to this addiction. It seems that several of us used the excuse of "doing research" for the yearbook as a way of getting out of mowing lawns or washing dishes. After all this extensive research, we feel we are well qualified to "direct" our own soap opera in this year's DRAGON yearbook. So in closing remember, all my children, that you only have one life to live so follow the guiding light of your parents and teachers.

The major television networks have introduced to their audiences nighttime drama in the form of soap operas, such as "Dynasty" and "Dallas." Even Cable television has recently gotten into the act of treating their paid subscribers to soap operas, such as CBN's "Another Life." Many students here at DHS could very well be characters from "Another Life."

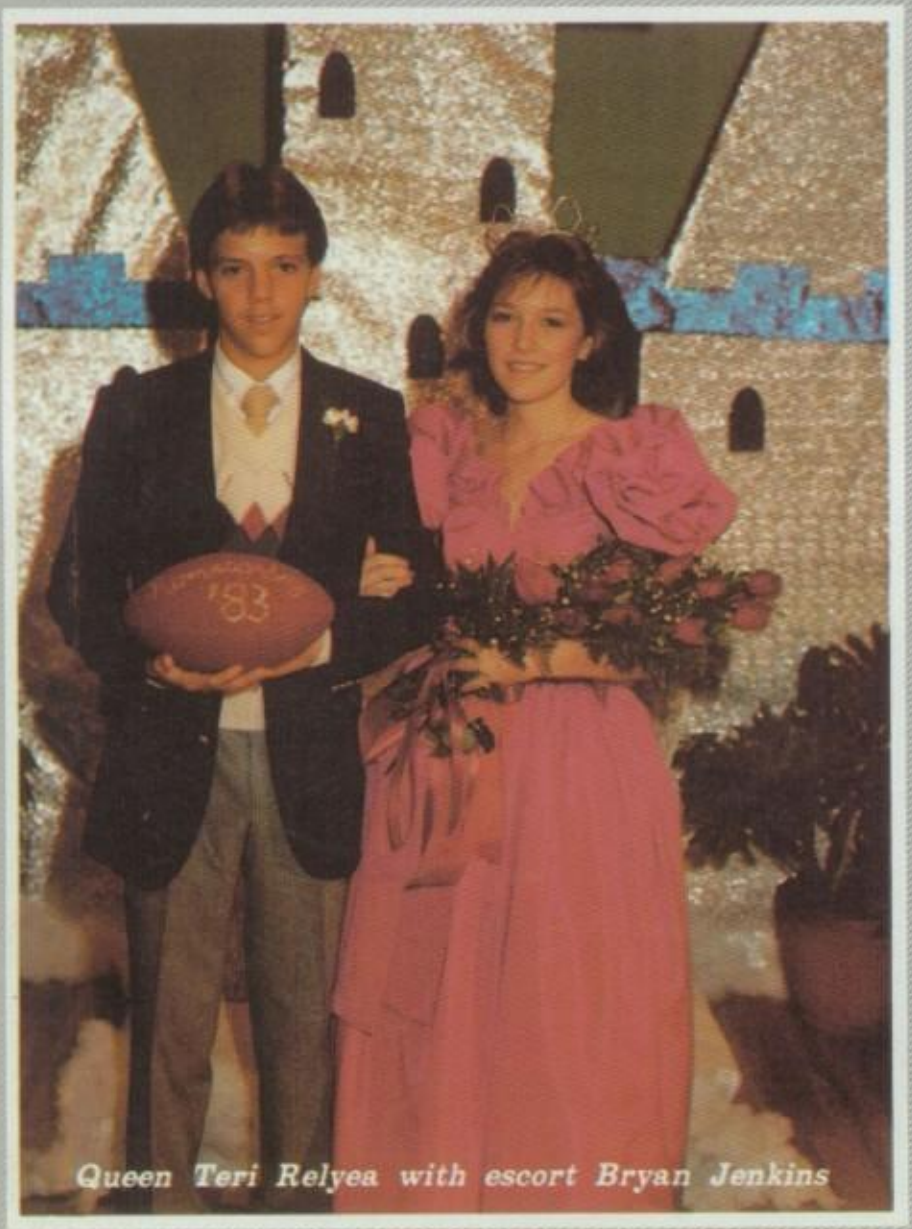
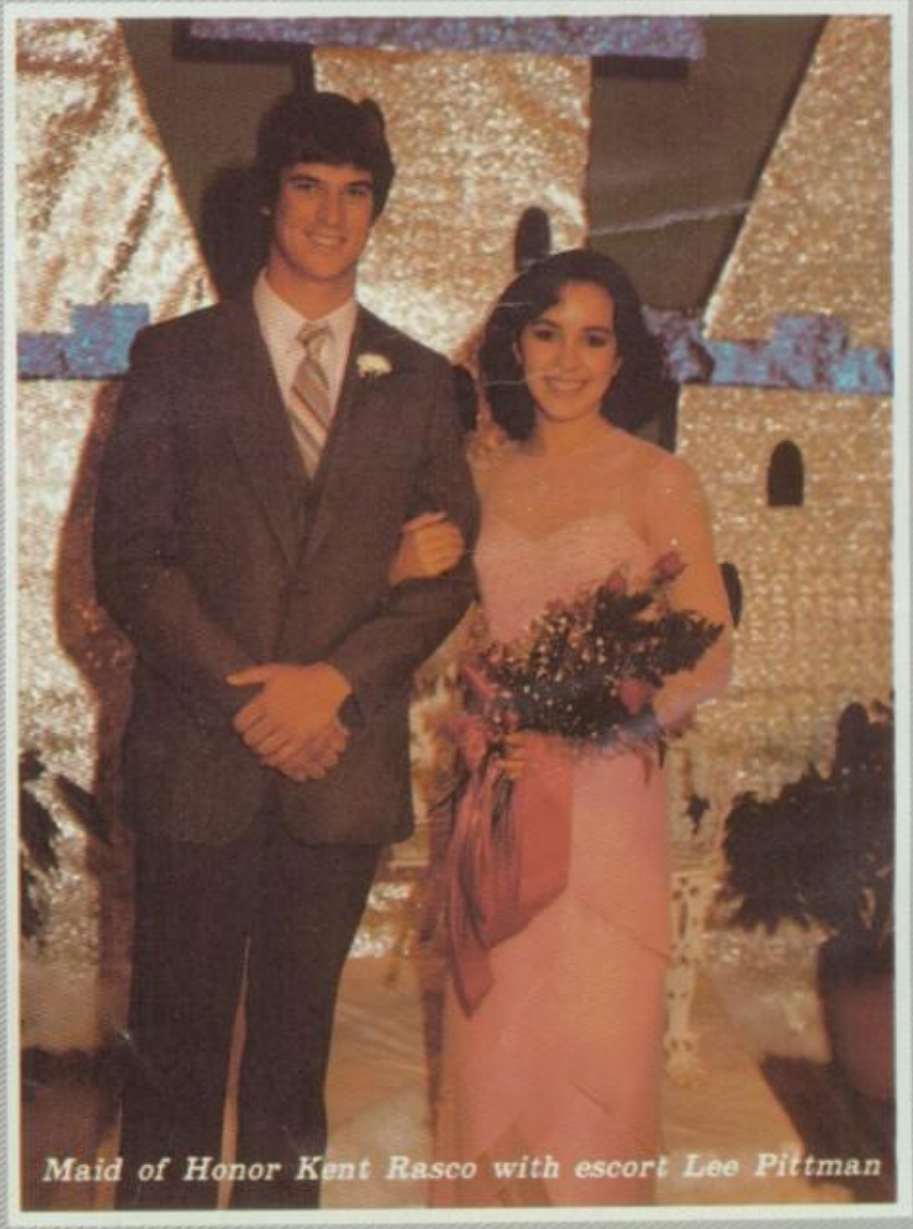
Homecoming Royalty



Queen Teri Relyea with escort Bryan Jenkins



Maid of Honor Kent Rasco with escort Lee Pittman

Amid screams of excitement from the packed auditorium, Teri Relyea was crowned DHS Homecoming Queen '83, and Kent Rasco was named her Maid of Honor, in a special Homecoming assembly on October 28.

The week began perfectly as Homecoming floats and decorations were planned and last minute wrinkles for the pep rally and Homecoming assembly were smoothed away.

At 10:15 Friday morning, the cheerleaders had a pep rally which included the sixth annual Miniature Homecoming parade, sponsored by the Student Council. Beta Club took the first place prize of $15.00. FTA took second place $10.00, and coming in third was the Jr. Class, to win $5.00.

At 2:15 that afternoon, the auditorium was packed with friends, parents, and former queens anxiously awaiting the presentation of the 1983 Homecoming Court.

The excitement was mounting! Master of Ceremonies, Scott Smith, and Mistress of Ceremonies, Melissa Cockrum, announced the Maid of Honor, Kent Rasco, and the Queen, Teri Relyea. 1982 Queen, Anne Gunnell Ferguson, presented roses to both and crowned Teri.

The festivities were highlighted when the Dragons whipped the Star City Bulldogs 20-13.

Mr. Jack Jordon
Superintendent of DeWitt Schools

Mr. Jack Jordon is the Superintendent of the DeWitt School District 1. His wife, Patsy Jordon is Middle School Librarian. He has two daughters. Melodie Philhours, who is a graduate of Arkansas State, is now working as an accountant for the state social service. His youngest daughter, Leslie, is now attending college at ASU.

According to Mr. Jordon there are two things in the DeWitt School system he would like to see. First, he would like for student S.R.A. scoring to be at the national average. Second, he would like the teacher-student ratio to become better. He would like for parents and students to show more pride in our schools. He feels that DeWitt schools and students are two things to be proud of.

Mr. Carvil Trammel, Assistant
Superintendent of DeWitt Schools.

Mr. Trammel has served as assistant superintendent for the past three years. He is in charge of DeWitt School's federal programs, buildings and grounds maintenance, and written federal projects. He is also evaluation monitor for Chapter one projects.

SCHOOL BOARD

The board is the legislative and judicial body for the school district and has final authority in all matters pertaining to the school district, but it delegates administrative responsibility to the superintendent, the faculty, and the other employees.

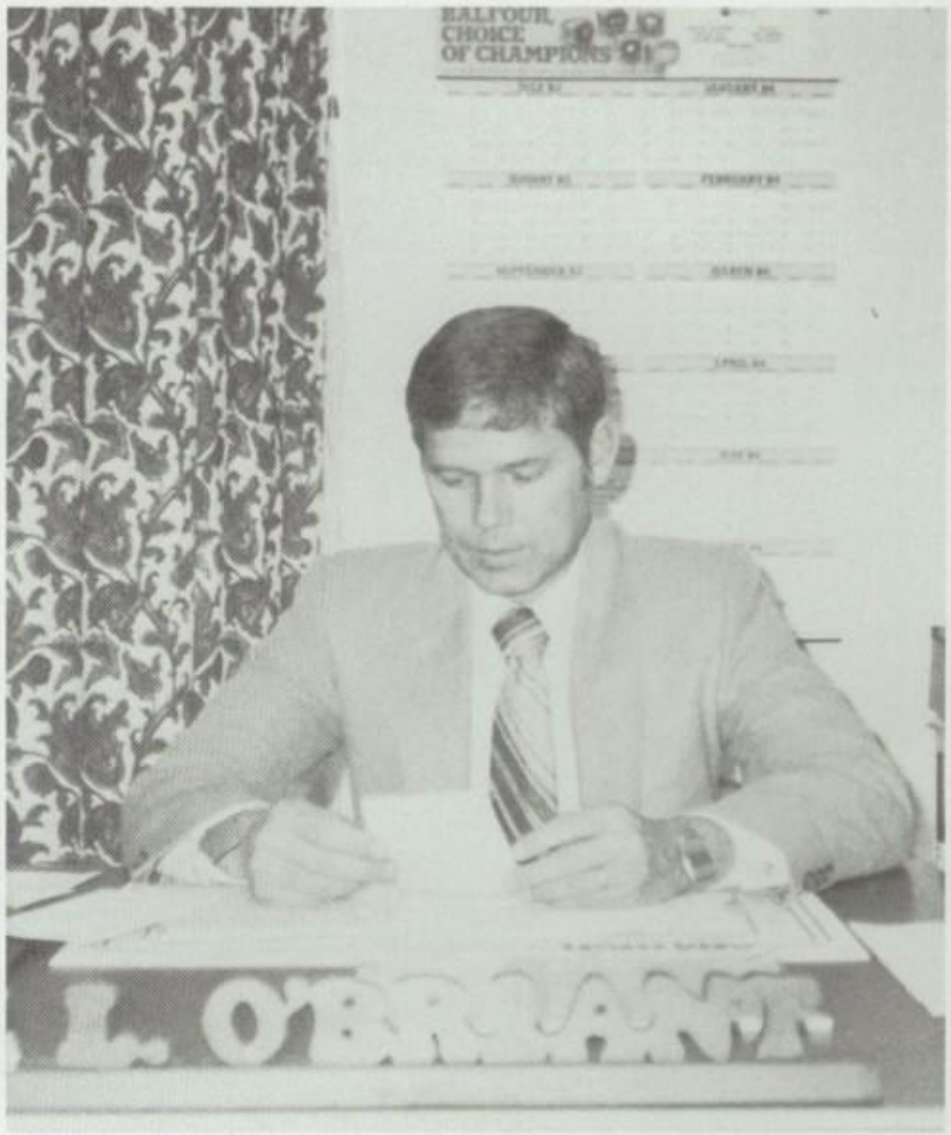
Mr. Eddie Lumsden, the president of our school board, is a farmer. He said, "Serving on our school board is rewarding because I know that improving a student's mind will eventually lead to a better quality of life in our society."

Mr. Sam Vittitow, the school board secretary and also a farmer believes, "Education is critical to the well-being of any community. I enjoy being a part of a group that promotes the best opportunity for each child through education."

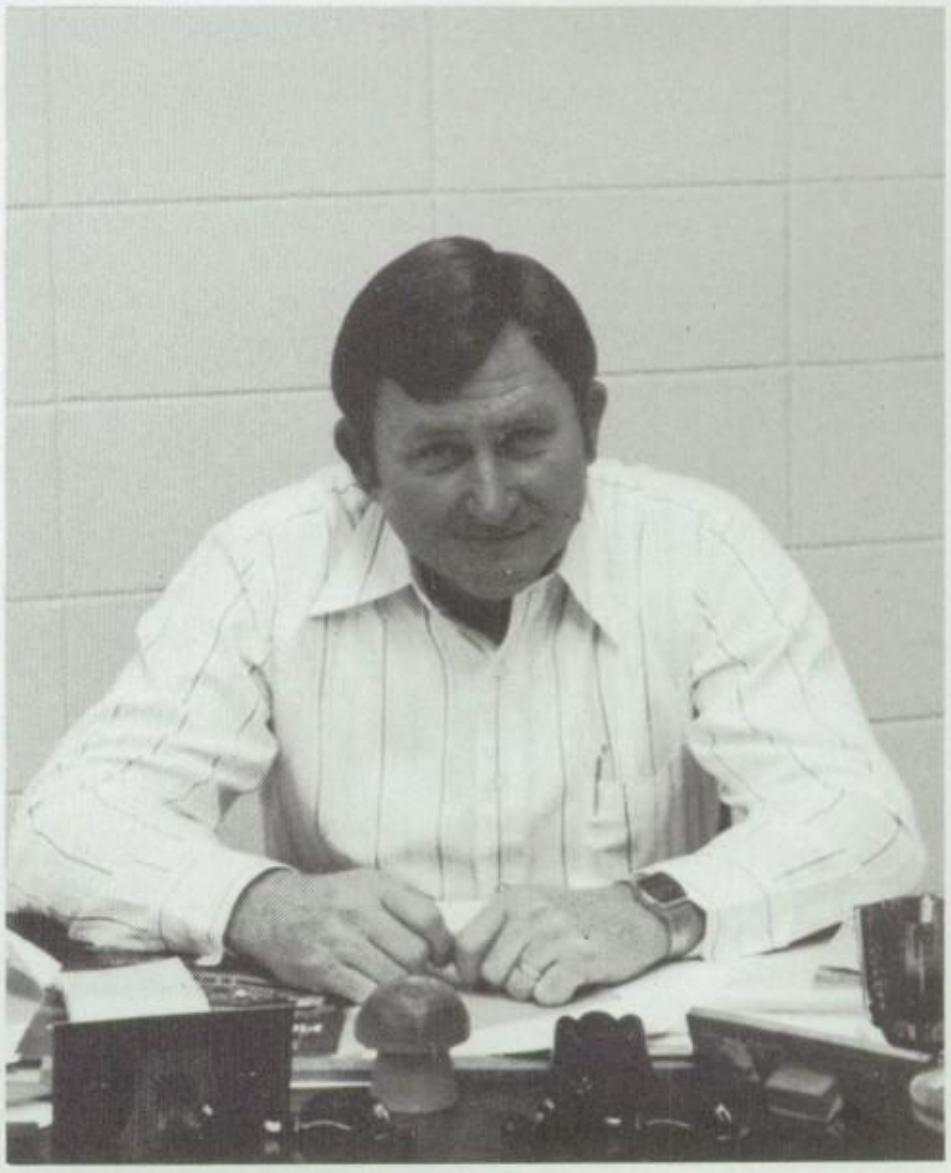
Mr. Carl Raabe is the vice president of the school board. His occupation is farming. "I want to improve our school system and better educate our children."

Tommy Williams works for Dale Ross Drilling Company. He wants to make changes that will better our school system.

Nelson Oakley is the branch manager of the Helena Chemical Company. "I want to help insure quality education is continued," said Mr. Oakley.



Mr. Larry O'Briant is enjoying his second year as D.H.S. principal. He feels that it is his job to help provide the opportunity for the best education for every student.



Mr. Jim Emerson has been Middle School principal for eight years. He feels that we have a good school system in DeWitt.

IS THIS

Is this the end?
Are you my friend?
It seems to me, you ought to be.
You use to be mine when the chips were down.
You use to be mine when I was around.
Girl, can't you see how I feel?
All these feelings that I feel are real.
Oh, Oh, girl can't you see I need you?

Is this the end?

All these feelings that I feel are real.
Oh, Oh, girl can't you see I need you?

THE END?

Mama told me once the end was gonna happen,
but she never told me when.
She told me it would happen when I was much older,
I wish it would have happened then.

"CLASSICAL MEMORIES"

Memories of Laughter, sadness and victory flood our minds when we think of all the times we've shared.

Times that were so special to us that they will never be forgotten.

That special love we have for each other will always be there, no matter the time or place ————

We'll never understand why, when one becomes very close to someone else, they always have to leave, but that shouldn't keep us from caring for others and sharing with each other while we can.

All the memories we have for a very special group of people and friends will live on forever in our hearts.

It was once said: "Nothing lasts forever." Well, whenever that was said, it was long, long before . . . they knew of a very special class ———— the . . .

Myra,
Hey Girl! Its been nice knowing you this year. I've enjoyed our short friendship. I hope it can last for a l-o-n-g time. I've enjoyed adding you to my long list of crazy friends. HA HA. Well I hope we can be friends next year. Stay sweet and you'll go far. I wish you luck in every thing you go to do. Good luck with all those crazy men ass boys. I hope you have a wonderful summer. Stay pretty as ever. You're a nice person to be around.

In Loving Memory of

Gregory Keith Stephens

June 20, 1965 — December 17, 1983

A family lives but a half life
Until it has sent its forerunners into the heavenly world,
Until those who linger here can cross the river,
And fold transfigured a glorious form
In the embrace of an endless life.

Bridgeman

As a television station cannot function without the support of commercials, we, the producers could not have created this annual without the patronage of our sponsors.

Once again time has brought us to the end of another school year and for some the end of a long educational journey. Anticipation rises among the senior class as they look forward to their day of graduation - May 13, 1984. Their determination and effort have gotten them through many trying times and challenges. Now, they must look to the future and its leaders for guidance and watch for doors to open in their lives that may bring them happiness and success.

Everyone is anxious to move on, but the memories of this year will linger in our hearts and minds forever. For the first time in three years, we did not have to make rain in the opening assembly at the start of school. Remember our first pep assembly on the square where involvement of the public was united with the school spirit for the first time? The seniors dominated the possession of the spirit stick, but that did not stop the other classes from giving it their all at all of the pep assemblies. The seniors will not forget their long and tedious work on their research papers, the production and success of Country Roads, football and basketball games, graduation, and most of all their friends at D.H.S.

Myra,
It looks like were made it through another year especially American History. Im glad we are friends. Hopefully we will have more classes together next year. I've really enjoyed Shorthand and business math with you. I wish you the best of luck in the future and may God Bless. Stay sweet.

The yearbook staff has tried to capture all of these memories and more. Through picture retakes, layout errors, and above all their deadlines, this year's staff has accomplished a feat that is tackled every year, but we hope this yearbook will become a special part of your treasured high school memories.

To the yearbook staff we would like to express our gratitude for all the hard work that they have put in the 1984 Dragon. Through all nagging, pressure, and jobs assigned by us that they would have rather not done, they accepted without complaints. (Sometimes!) We close in thanking our very special friend and advisor, Diann Cunningham. Without her we and the staff, could not have even started a yearbook. Her patience, guidance, and understanding are deeply appreciated by us.
